

Do it for your future!

We are the globally successful Solar-Log GmbH and BKW Energie AG, an internationally active energy company based in Switzerland. Solar-Log GmbH's expertise lies in software development for solar monitoring, smart energy and feed-in management, while BKW offers total solutions in the areas of energy, buildings and infrastructure.

Our vision is to make the digitalisation of renewable energy sources a reality. Together with you, we would like to achieve our goal.

To strengthen our support department, we are looking for a:
Electronics Technician / Electrical Installer (m/f/d)
for energy and building technology for Technical Support

Your tasks

- First/second level support for our German-speaking and international customers in solving user problems and technical issues via telephone, ticket system or chat
- Customer support for questions regarding functionality, planning, project planning and commissioning
- Use in the training/trade fair area possible

You are characterised by

- Independent and result-oriented way of working
- High social competence and ability to work in a team
- Very good communication skills, a strong sense of service and customer friendliness
- High self-motivation and reliability

You bring along

- Training in the technical field (e.g. IT specialist or electronics technician), preferably also comparable technical qualification, experience or interest
- Confident handling of networks and Windows applications
- Good written and spoken German and English

We offer you

- very mobile working environment with up to 100% home office
- an innovation-friendly environment that allows for professional development
- an internationally operating group of companies in which you can actively contribute to the success of the project
- an exciting and responsible job in a dynamic team
- an attractive and modern working environment
- flat hierarchies with a familiar first-name culture
- Additional benefits such as free supplementary health insurance, company pension scheme, corporate benefits and much more

Have we aroused your interest?
